of the region's
leading HVACR
manufacturers

Eurovent Middle East

Overview and Background

EME Annual Meeting 2022

5 Years

Situation in 2016

- No association in the Middle East
- New technical regulations introduced in KSA, UAE
- SASO 2874 as case study
- Industry faced with multitude of issues
- Rising administrative requirements, costs
- Commercialisation of industry events
- No guiding force

Set up - timeline

- Summer 2016: decision by EA board to allow formation of a chapter
- November 2016: threshold of 14 supporting companies reached
- January 2017: formal establishment with 22 members
- June 2018: business license as non-profit organisations
- Currently: 30 member companies, 42 brands

Set up

- Direct membership of companies
- Not a copy of Eurovent
- Inclusive character
- Same principles
- Targets more member oriented
- Technical competence lower, but more expertise with environment
- Adjustments based on market

Targets

- Regulatory affairs
- Education and promotion
- Networking
- Creating more direct benefits for members

Environment

- Knowledge levels (from authorities to consultants)
- Local demography
- Mentalities and culture
- Climatic conditions
- Limitations
- Lack of transparency

Basic requirements

- Recognition (time, trust, visibility, relationships)
- On ground activities
- Persistence
- Sympathy
- Brand

➤ **Long term engagement**

Current projects

- SASO TC AHU
- GSO TC03 large ACs
- UL / EME IAQ building certification
- EME HVACR Leadership Academy
- Technical recommendations (ISO16890, direct driven fans)
- AC end user guidance (with EA, UNEP)
- AHU summer label promotion
- Anniversary congress
- Physical activities in KSA, Egypt

Anniversary Highlights

- Signing of MoU with Gulf Standardisation Organisation
- Launch of EME HVACR Leadership Academy
- UL/EME IAQ Building Certification (possibly)

Key topics:

- Energy efficiency
- IAQ
- Refrigerant transition
- Market Surveillance

A photograph of three people in an office hallway. On the left is a woman with blonde hair, wearing a black blazer over a patterned top, smiling. In the center is a man with a beard, wearing a dark blue blazer over a light shirt, smiling with his hands open. On the right is another man with short dark hair, wearing a dark suit over a light shirt, smiling with his arms crossed. They are standing in front of a glass wall with a wooden pillar. The pillar has the text 'Eurovent Middle East (EME)' written vertically. The background shows a modern office interior with glass partitions and recessed ceiling lights.

Thank You!

Eurovent Middle East (EME)
